

# **Non-Human Primates**

## **By Julie Wieczkowski and Carolyn Ehardt**

This is a CD-ROM based module for teaching students about non-human primates. A written assignment will accompany the use of the CD-ROM. Sign-up sheets will be available so students can sign up for time to work on one of the 3 Anth 1020 computers. A copy of the CD-ROM will also be on reserve in the library.

### This Module Contains:

General T.A. Instructions

4/ copies of CD-ROM

Instructions for using the equipment and running a demo of the CD-ROM

Instructions for sign up sheet process

Written Assignment (master copy)\*

### Advanced Preparation

**T.A. must be familiar with the CD-ROM**

**Copies of the written assignment must be made**

**Computer time must be coordinated among all 1020 lab sections**

\*Do NOT distribute master copies
