We'd like to get to know you! Please answer the following questions to help us tailor the program to your needs and pair you with the graduate student mentor who can best help you along your anthropological path!

Which of these activities would you like to participate in through the Mentor Program? Please check all that apply.

- one-on-one mentoring
- panel discussions/presentations on various topics
- first-hand experience with fieldwork, methods, data collection, or data analysis
- other (please elaborate):

What types of panel discussion topics interest you the most or would be the most helpful to you at this point in your undergraduate studies?

What subfield(s) of anthropology are you interested in? Which anthropological theories, methods, topics of study, or geographic regions interest you the most? If you also have other academic interests, what are they?

If you are currently conducting independent or directed research within anthropology, through the anthropology department, or through a different department, please briefly describe your research.

To the best of your knowledge, what are you interested in pursuing after graduation from UGA? (e.g. work/career options, Peace Corps, Independent research, government work, NGO, grad school, etc.)
