

Jordan T. Chapman

Curriculum Vitae

Department of Anthropology
Baldwin Hall Room 250
University of Georgia

Jchap16@uga.edu
Phone: (267)-226-2146

Education

2018* Ph.D. Student, Anthropology, Geology, University of Georgia
Co-Advisors: Victor Thompson and Jeff Speakman
2016 B.A. Anthropology, Pennsylvania State University
2016 B.A. Geosciences, Pennsylvania State University
2016 Minor, Geography, Pennsylvania State University
2012 A.A. Community College of Philadelphia
(* = Present)

Research Interests

Geoarchaeology, archaeometry, geochemistry, paleoecology, geochronology, paleoenvironmental reconstructions, geographic information systems (GIS)

Honors and Awards (* = External)

2019 National Science Foundation Graduate Research Fellow*
2018 Graduate School Research Assistantship, University of Georgia
2016 Penn State News Featured Student (link provided)
2016 Penn State Multicultural Resource Center Resilient Student
2013-2016 Ronald E. McNair Scholar, Penn State University
2013-2016 Chaiken Trustee Scholar, Penn State University
2016 Anthropology Club President, Penn State University
2015 Mt. Nittany Society Student Speaker, Penn State University
2015 PA Trio Scholarship, Penn State University*

Conference Presentations

Chapman J, Kennett DJ, Cullention BJ, Buckley GM, Webster DL

2015 A High Precision Radiocarbon Chronology for a Classic Maya Noble Household. Paper Presentation presented at National Association of Black Geoscientist 34th Annual Technical Conference Houston, TX.

Research Experience

2018 Graduate Lab Assistant, Center for Applied Isotope Studies, University of Georgia
2016 Student, Department of Geosciences Field Camp, Penn State University
2015 Undergraduate Researcher, Human Paleoecology and Isotope Geochemistry Lab, Penn State University
2014 Student, Tel Akko Total Archaeology Project, Penn State University

Teaching Experience

2019 Teaching Assistant, UGA Archaeological Field School

Public Outreach and Community Engagement

2019 Founding President of the Black Science Coalition and Institute (links provided)

2018 Volunteer, STEM Zone, Center for Applied Isotope Studies, University of Georgia

2018 Exhibitor, 5th Annual Georgia Gravity Games in Douglasville, GA, University of Georgia,
Sponsored by Google, Georgia Tech, and Douglasville, GA

Proficiencies

ArcGIS by ESRI
