

Application for Departmental Assistantship

UGA Department of Anthropology

Completion of this form, when submitted no later than January 1st with your completed application (all forms, documents, letters, etc.), will insure that you are considered for a departmental assistantship upon successful admission to the Anthropology graduate program. For those students currently enrolled in our program, the deadline for completion of this form is February 1st. Completion of this application also entitles you to consideration for nomination for other competitive awards such as the Graduate School Assistantship and the Regent's Out-of-State Tuition Waiver, and for research assistantships funded through external grants received by individual faculty.

Please include your current curriculum vitae with this application.
